

Indigent Defense Program

DESCRIPTION OF MAJOR SERVICES

The Indigent Defense Program provides for representation services appointed by the Superior Court for indigent defendants in criminal and juvenile delinquency proceedings that the Public Defender is unable to represent, and for conservatorship, guardianship, probate, family law other than Family Code § 3150 minor’s counsel, and misdemeanor appeals. A portion of this budget is also set aside for capital case defense costs for the Public Defender Capital Defense Unit. The program administers contracts, monitors caseloads and expenditures, processes accounts payable and performs trust fund accountings, and reports to the County Finance Office. The program administers and coordinates court-appointed representation services of attorneys, experts and investigators for an average of 3,000 misdemeanor and 3,800 felony cases per year, including capital and life-without-parole cases, and an average of 600 conservatorship, guardianship, probate, mental health, misdemeanor appeal and other cases per year. In coordination with the Superior Court, this program also administers the County’s Dispute Resolution Programs Act alternate dispute resolution program and its associated special revenue fund. This unit funds one analyst and one fiscal/accounting position in the Finance and Administration budget.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$10.0 million includes \$9.6 million for contracted and *ad hoc* (non-contracted) court-appointed legal representation services for indigent defendants in criminal and juvenile delinquency cases, and for other cases requiring court-appointed representation services including conservatorship, guardianship, probate, mental health, and misdemeanor appeals. Another \$430,000 is included for investigator and expert services for the Public Defender's Capital Defense Unit as well as a transfer to Finance and Administration to fund two limited-term contract employee positions for program administration services.

Fee/rate revenue of \$32,000 reflects the receipt of client payments for appointed juvenile delinquency representation services.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$240,591 primarily due to a new contract for court appointed attorney services and resulting increased costs for adult indigent defense representation services, and a new contract for delinquency representation services effective July 1, 2014.

In addition, other professional and special services for court-appointed experts and investigators for non-capital cases is decreased by \$75,000 in anticipation of ongoing reduced needs for these services as a result of the Superior Court's January 2010 implementation of its designated Penal Code § 987.2 Judge program, and the Superior Court's adoption of its *Penal Code § 987.2 Procedures and Rules*.

Special department expense for court-appointed Penal Code § 987.9 confidential services of experts and investigators for capital cases is decreased by \$25,000 in anticipation of decreased need for these services during 2014-15.

Agency Administration of \$100,000, paid to the Superior Court in prior years is eliminated for 2014-15 due to the termination of these services. Instead a transfer to Finance and Administration of \$200,000 funds two positions

for Indigent Defense program administration in 2014-15. Transfers also include funding for the Public Defender's Capital Defense Unit's capital case defense costs.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no budgeted staffing associated with this budget unit. In prior years staff supporting the program have been employees of the Court. However, the Court informed the County in 2014 that it will no longer administer the program. As a result, two positions have been added in Finance and Administration to support this program and costs associated with these positions are funded in this budget unit.
